ABOUT MT

MT Furniture manufactures a wide range of outdoor furniture. Our stylish furniture is crafted from PE wicker, metal, and hard woods. MT Furniture was established in 2006, and is located in southern China.

MT Furniture has a creative and technically proficient R&D team. We custom design and build furniture for our many customers in Europe, America, and Japan. We have been awarded patents for several of our furniture designs.

Over the years, MT Furniture has brought all of the necessary production capabilities under one roof. This includes metal, weaving, upholstery, wood working and packaging. In addition, customers are always pleased to know that we have our own in house testing laboratory.

In the outdoor furniture industry, MT Furniture has become a name synonymous with creativity, and quality you can actually feel. We ship more than 240 containers of MT Furniture every year to our customers in the United States, Europe, and Japan.
